

Delivery Timelines

Standard Timelines

- Major cities: 2-4 business days from order confirmation.
- Other urban areas: 4-6 business days.
- Remote or rural areas: 6-10 business days, depending on courier network coverage.

Express Delivery

- Available for select products and locations, with delivery in 24-48 hours for an additional fee shown at checkout.

Factors That May Delay Delivery

- Public holidays, severe weather, high-demand sale events (e.g. 11.11, 12.12), and incomplete or incorrect addresses.
- Customs clearance delays for items shipped from international sellers.

Tracking a Delivery

- Customers can track real-time status from 'My Orders' > 'Track Order', which shows the current courier checkpoint.
- If a delivery is delayed beyond the estimated window, customers can contact Customer Support for an update or compensation voucher where applicable.
